

Explore Postdoctoral Opportunities in Cancer Research

Atlanta, Georgia
March 21-23, 2024

ACCEPTING APPLICATIONS

Winship Cancer Institute of Emory University invites doctoral candidates from broadly diverse backgrounds who are interested in cancer research to apply to participate in this special recruitment event.

Selected attendees will:

- Visit the Emory University campus in Atlanta, Georgia, and explore Winship's vibrant cancer research environment
- Meet prospective faculty mentors of interest
- Learn about Emory's career development and postdoc support programs
- Discover the research resources at Emory University that support >\$1 billion in funded research each year
- Experience Atlanta, "the city in the forest" that is an urban oasis and multicultural hub of the southeastern U.S.
